

Protekt® Geri-Chair Overlay

Dual Chamber Gel-Bladder is designed to eliminate gel migration and regulate body temperature (optional).

VGPT™ foam reduces occurrence of pressure sores by channeling heat away from the body significantly faster than traditional foam, virtually eliminating perspiration.

(Pictured with gel bladder option)

FEATURES AND BENEFITS:

The Protekt® Geri-Chair Overlay is an ultra comfortable choice to reduce interface pressure while seated in a geri-chair or recliner.

- Top layer of foam features Visco Gel Polymer Technology (VGPT™) which provides rapid heat dissipation and excellent pressure redistribution.
- Seat Area - Protekt® Gel Cushion contains a center seam gel bladder which eliminates migration.
- Top Cover - Stretch fluid resistant nylon.
- Bottom Cover - Non-skid vinyl with 3 safety straps.
- Weight Capacity: 300 lbs. (19")
500 lbs. (24")
- Warranty: 1 Year Non-Prorated.
